Pope Francis' Monthly Intentions

JANUARY: Young People and the Example of Mary
That young people, especially in Latin America, follow the example of Mary and respond to the call of the Lord to communicate the joy of the Gospel to the world.

Five Keys to seeing the power of God

(from Dr. Mary Healy's second talk on 2/1/2014)

1. Intimacy with Jesus.

Daily fill me and captivate my heart, Lord
We need a time of worship every day so that we can be lifted up and see more deeply how awesome our God is and how overwhelming His love, so our hearts can be captivated by His love and we can give it away.

2. Get God's heart for the lost.

God, change my heart, pierce my heart with Your love, Your passion, for the lost. Give me a desire to reach spiritual orphans, the wounded walking in darkness, the poorest of the poor, those who don't have God in their lives.

3. Ask, seek and knock.

Ask for faith to do miracles. Seek spiritual gifts. I can't serve you by my own power. The Lord is saying, "My people, you are not asking too much of Me. You're asking too little! You're expecting too little from Me! There's so much more that I want to do through you."

4. Do whatever He tells you.

Make me willing to look like a fool for Christ. We need to have very attentive ears to the Holy Spirit. We have to be willing to be a fool for Christ, to look stupid.

5. Give the Holy Spirit room to work,

even if it's messy, even if it's not what fits your plan. I am your instrument, use me. We need to let go. We need to be willing to let the Holy Spirit have His way.
