## **Testimony**

Last Sunday I finally was able to fill a Rx that I was trying to get filled for over five days while on the road. The biggest frustration was having to be put on hold by several CVS Pharmacies along our route for over 30 minutes each time listening to horrible music on hold! Finally figuring out their system to get an Rx filled somewhere other than Steubenville I was hopeful last Sunday that I could obtain the Rx in Flagstaff, AZ. I woke up a little early Sunday morning and realized that I had not sincerely laid this whole frustrating situation at the feet of Jesus. So I prayed there in bed giving the situation and my frustration over to Jesus. We had a little time before Sunday Mass so we stopped at the CVS. Talking to the Pharmacy person went very smoothly and I was out of there in 20 minutes with the Rx! Later while at Mass I had this overwhelming feeling of love from Jesus! Sometimes we may think happenings in our lives are too trivial to bother God about. I am continually reminded nothing is too trivial and nothing is too big for God! Dave Snelting

## **Do you have a testimony to share about life in the Community of God's Love?**

We need two or three simple testimonies about the impact that being a member of COGL has had in your life. We can keep these anonymous, but they will be included in a new section for testimonies on our webpage. Think about the following starter sentences then take off from there!

Being in community is important to me because...

Being a member of COGL has changed my life by...

My family has been changed by being involved in COGL...

**MAYBE 3 PARAGRAPHS OR SO...IT DOESN'T HAVE TO BE A TERM PAPER!**
